	Library - Education Sector Partnerships - Highlights and Examples		The Library continues to partner with the Bowmanville YMCA, Ontario Early Years. This has allowed us to provide a wider variety of programs across the system while facilitating training opportunities for staff. In 2017 the library developed a partnership with Durham College to offer free Essential Skills workshops to the public. These included: Basic Health & Safety, WHMIS, Smart Serve, First Aid and Safe Food Handlers Certification. In 2017 the library developed a partnership with UOIT through Engineering Outreach to provide STEM focused programs for youth. The STEM Champions programs offer in-depth coding including creating circuits with Makey Makey, coding with Ozobots and building your own crystal ball. The programs and are run by UOIT engineering students who offer positive role models to local youth. UOIT created 3 different mini-maker kits that the library circulates on loan that allow families to create technology based projects together. Families can construct a door alarm, traffic light, explore computing with apps and games or create a tinfoil dance pad.
