

## Statement of Commitment to the Accessibility for Ontarians with Disabilities Act

The FOPL Board is committed to being a Board which makes every effort to provide an accessible experience for our employees, executive consultants (Executive Director), Board Members and volunteers on the Working Groups and Project Teams.

The FOPL Board will complete ongoing AODA customer service training, as it pertains to our policy development, and support our member libraries in their own AODA efforts.

Approved by the FOPL Board September 24, 2021
