

6. **Mental Health Matters**

Providing better and faster access to mental health and addictions services for hundreds of thousands more children, young people and adults across Ontario — bringing the total funding to more than \$17 billion over four years.

7. **Home Care for Seniors**

Providing more access to home and community health care services, including 2.8 million more hours of personal support and 284,000 more nursing visits, through a \$650-million investment over three years.

8. **Removing Barriers for Individuals with Developmental Disabilities**

Building a fairer society by investing \$1.8 billion to strengthen services for about 47,000 adults with developmental disabilities through an approach that enables informed choices and active participation in the community.

9. **Supporting Student Success with Free Tuition**

Making college and university tuition free for more than 225,000 students of all ages. Free or low tuition is available for students from low- and middle-income families; tuition is free for those earning up to \$90,000, and students from families who earn up to \$175,000 are also eligible for financial aid.

10. **Boosting the Minimum Wage and Creating Good Jobs**

Providing a long-awaited raise for 1.2 million people across Ontario by increasing the minimum wage to \$14 per hour on January 1, 2018, and \$15 per hour on January 1, 2019. The province is also providing \$935 million in new funding over three years through the Good Jobs and Growth Plan to support Ontario businesses, students and graduates, and help attract good, well-paying jobs.
