Dear Minister Sousa:

On behalf of the Bradford West Gwillimbury Public Library Board, I wish to extend our sincere thanks for your Government's recognition of the importance of public libraries in your 2018 budget, A Plan for Care and Opportunity. Your commitment will help us broaden our roles as community hubs, as centres of innovation, and as access points for technology and digital resources, as well as play a part as spaces for cultural experiences

The broader library community has been working very closely with your Government and Ministry staff and we look forward to our continued partnership into the future.

Sincerely,
