	Examples/ Highlights of Cultural Sector Partnerships		We work with the local museum and volunteer committee to host an annual storytelling event every year and then publish the stories every five years. We have over 80 local history stories published to date. We also partner with the local Ancestor Seekers group to host an annual day where the community can learn about genealogy. We house the ESL materials for the local refugee group so the teachers have easy access to the materials in a central location. We work with the local genealogy group and volunteers to digitize our newspapers and they are also building a searchable f=database. This group also hosts an annual Genealogy workshop for the community at the library.
