	Universities	✓	
	Other Education Sector Partners	2	
	Example/highlights of partnership		We participate in programming with EarlyON and the nursery school to provide library visits to their space which includes story times and mobile circulation. We also welcome them into our space for story times, crafts and time to explore the library. We visit many of the classes in our three elementary schools to offer Forest of Reading programming, story times and crafts. We support both the teachers and the students by bringing in resources, either as part of our collection or through ILL that support their learning needs. We also consult with the schools when planning special events, like a visit by author Jean Pendziwol, to give both elementary and high school students the chance to engage with these guests. We offer exam proctoring for the University of Athabasca. With the Learning Centre, we work to coordinate our efforts so that services are not duplicated but rather compliment one another. With all our community partners there is also mutual promotion of events and programs to help connect our community to the best services.
